PROJECT DESCRIPTION

We provided construction inspection for this \$5 million construction project on the Garden State Parkway from MP 0 to MP 113 in Cape May, Burlington, Atlantic, Ocean, Monmouth and Middlesex Counties, New Jersey.

SJH was responsible for inspection of deteriorated concrete bridge deck slab replacements, including some stringers and diaphragms; repairs to deck spalls; deck joints, and headers; asphalt surfacing removal; new membrane waterproofing placement; roadway and bridge deck resurfacing; sidewalk, parapet and curb surfaces; replacement of parapets; pavement striping and other incidental work.

SJH Engineering, P.C.
