Bhadresh Patel, PE **Vice President of Engineering** **Technical Lead - Structures**

SJH is pleased to announce that **Bhadresh Patel, PE** has been promoted to **Vice President**.

Over the last fifteen years, Mr. Patel has contributed to SJH's success with his efficient and informed professional skill set that benefits our technical staff and engineering teams. In this role, he will be responsible for securing future work by continuously demonstrating outstanding technical prowess in engineering and expanding SJH's presence in the Transportation and Facilities markets.

Throughout his professional career, Mr. Patel has been intensively involved in the analysis and design of numerous complex structures. His noteworthy projects include the NJ Transit's Portal Bridge Capacity Enhancement Project, PANYNJ's Goethals Bridge Replacement, and NYSDOT's Alexander Hamilton Bridge project. Additionally, Mr. Patel is engaged in the NYSDOT Hunts Point Interstate Access Improvement project Contracts 1 and 3.

Mr. Patel earned a Bachelor of Science degree in civil engineering from Sardar Vallabhbhai Vidyapeeth in India and a Post Graduate Diploma, specialized in-plant training, design and construction of structures and foundations for iron and steel industry. He is a Professional Engineer in New Jersey, New York, and Florida.
