Richard Falletta, PE Director of Construction Services Vice President

SJH Engineering, P.C. (SJH) is proud to announce that Richard Falletta, PE, has joined the firm as Director of Construction Services and Vice President. In this role, he will oversee business development efforts for transportation construction management and construction inspection activities in New York and New Jersey.

Mr. Falletta is a seasoned project manager with over 32 years of experience in construction services and business development. Prior to joining SJH, he managed numerous construction projects, including term agreements, on-call contracts, and multiple resident engineering inspection contracts for the New York State Department of Transportation, New York State Thruway Authority, Nassau County Department of Public Works, and other municipalities. In addition, Mr. Falletta also worked for 20 years at the New York State Thruway Authority as a Division Bridge Engineer, Construction Area Supervisor and Engineer-In-Charge with many notable projects in the New York Division including several on the Tappan Zee Bridge.

Mr. Falletta earned his Bachelor of Science in Civil Engineering from Fairleigh Dickinson University. He holds professional engineering licenses in New York, Pennsylvania, and Connecticut. He is a member of both the National Society of Professional Engineers and the American Society of Civil Engineers.

Please join us in congratulating Mr. Falletta and welcoming him to SJH!
